

CAPABILITIES STATEMENT

Mr. Transmission / Milex Autocare, a DBA of SMRW Group LLC

Complete Automotive Repair, Transmission Service, and Fleet Maintenance Solutions

COMPANY OVERVIEW

SMRW Group LLC operates Mr. Transmission and Milex Autocare in Greenville, South Carolina, providing general automotive repair, specialized transmission and drivetrain service, and fleet maintenance support. Operating under established brand training, parts sourcing, and service procedures, the company delivers consistent, professional grade repair and maintenance for individual vehicles and multi-vehicle fleets alike.

CORE COMPETENCIES

- ◆ **General & Preventive Maintenance:** Scheduled service, multi-point inspections, and fluid and filter management to maximize vehicle uptime and readiness.
- ◆ **Specialized Transmission & Drivetrain Repair:** Diagnosis, rebuild, and replacement of automatic and manual transmissions, transfer cases, and differentials.
- ◆ **Comprehensive Diagnostics & Troubleshooting:** Computerized diagnostic scanning to identify and resolve mechanical and electrical faults across vehicle systems.
- ◆ **Major Component Replacement & Repair:** Engine, transmission, and drivetrain component overhaul and replacement to extend service life and reduce downtime.
- ◆ **Fuel & Emissions System Service:** Inspection, repair, and compliance servicing of fuel delivery and emissions control systems.
- ◆ **Fleet Maintenance Support:** Coordinated, multi-vehicle service scheduling built to support agency and installation motor pool readiness.

DIFFERENTIATORS

- ◆ **ASE Certified Technicians:** Repairs and diagnostics performed to nationally recognized Automotive Service Excellence standards.
- ◆ **Dual-Brand Capability Under One Roof:** Combines Mr. Transmission's specialized transmission expertise with Milex Autocare's full-service general repair, reducing the number of vendors an agency must manage.
- ◆ **Backed by a National Service Network:** Operates under established Mr. Transmission and Milex Autocare brand standards, with a warranty that transfers across the nationwide location network.
- ◆ **Single Location, Full Range of Service:** From routine maintenance to major component replacement, minimizing the downtime and cost of multiple repair stops.
